Massage Ball Tips

The nylon balls are round and never fall off easily when handled with skill. Can help massage your scalp and penetrate your thick hair to assist in smoothing hair without causing breakage like a plastic hair brush would.

Natural Boar Bristles

Natural boar bristle carries natural oils ★ and coats each strand with sebum helping to repair dry hair and add shine.

Improve hair texture and stimulates hair ★ growth.

Natural Bamboo

Bamboo has a much faster re-growth cycle and yield than conventional timber, and it can be harvested with virtually no environmental impact.

Ergonomic Design

Ergonomically designed thickened bamboo handle for a more comfortable fit and excellent grip control.

Cellulose Acetate

Cellulose acetate, the material, which feels good and strong, is a non-petroleum-based plastic derived from plants and can reduce static electricity in the hair brushing process. It is 100% safe.
